

#### ESSENTIALS SERIES DESKTOP COLOR DOCUMENT SYSTEMS

### Designed for the technology-driven workplace

The Sharp MX-C303W desktop color document system delivers crisp, high-quality output with exceptional ease of use. This new model provides customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Designed with high-performance features typically found on larger machines, the compact MX-C303W delivers the productivity you need with the performance and reliability you want.

## **Key Features**

- Ease of Use Award-winning 7" (diagonally measured) touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. With Sharp's new MFP Voice feature available for these models, you can interact with the machine with the power of natural language.
- Productivity Offers out-of-the-box copy, print, scan and fax capabilities, plus available Cloud Connect features
  combined with wireless networking enables users to easily manage their workflow from PCs, smart phones
  and tablets.
- Workplace Friendly Integrates seamlessly with today's complex network environments and supports
  popular cloud services and mobile technologies. And with Sharp's new Application Portal (coming spring 2019)
  administrators can add new apps or update existing apps right from the MFP.

Available Sharp MFP Voice Feature with Amazon Alexa.

Offers up to six paper sources for a maximum 2,700-sheet capacity (shown with optional trays).

Sharp's ImageSEND™ feature provides one-touch distribution to email cloud applications and more.

# Additional features to help your business gain the competitive advantage

- Standard 50-sheet Reversing Single Pass
   Feeder scans documents at up to 40 images per minute (ipm).
- Sharp's new available MFP Voice feature enables users to control the device with simple verbal commands. Experience hands-free, voicefirst interaction with Alexa.\*
- Supports popular mobile technologies, enabling users to easily print files from smart phones, tablets and even notebook computers.
- Network ready PCL®6 and Adobe®
   Postscript®3™ printing systems deliver crisp, clear documents at up to 30 pages per min (ppm).
- Optical Character Recognition (OCR) function can convert scanned documents to textsearchable PDF format, Microsoft® Office file formats, and more.\*
- Direct print Microsoft Word, PowerPoint® and Excel® files from thumb drives, cloud applications, network folders and more. This function is enabled via Qualcomm® DirectOffice™ technology.\*
- Access popular cloud services, such as Microsoft OneDrive<sup>TM</sup> for Business, SharePoint® Online, Google Drive<sup>TM</sup>, Dropbox and more with Sharp's available Cloud Connect feature.\*
- Leading-edge security features provide enhanced protection. An End-of-Lease feature can erase all data and person information at time of trade-in.
- Offers up to six paper sources with available
   2,700-sheet maximum paper capacity.

<sup>\*</sup> Some features require optional equipment.

### **MX-C303W SPECIFICATIONS**

MX-C303W	S	Main Specification	
	Base models include multitasking controller, 50-sheet RSPF, PCL 6 and Adobe PostScript 3 <sup>TM</sup> printing systems, network scanning, auto duplexing, 1 x 250-sheet paper drawer, 50-sheet bypass tray. Full capacity toners and developers included.	Network and Data Security	Includes IP/MAC address filtering, protocol filtering, port control, TLS Encryption, Kerberos, Active Directory integration, AES 256 bit data encryption, data overwrite (up to 10 times), US Department of Defense data wipe standard DoD 5220.22-M and End-of-Lease feature
Туре	Desktop color multi-function digital document system	Firmware	Firmware can be updated by USB drive, FTP, Web page
Display	7" (diagonally measured) color dot matrix high-resolution	Management	or SRDM
