Box Connector Distribution

- ▶ The Box connector is an embedded Sharp OSA application
- ▶ Available for download at Sharp PC/Sharp PC Service
- ▶ Available to MX-M905 and MX-6580N/7580N* too!

* Single-sign-on is not supported on the MX-M905, MX-6580N/7580N

How to Install Box Connector

Install Box Connector on MFP

The Box application is available for download from Sharp-PC service.

From device web page or on the MFP panel,

1. Go to “Standard Application Settings” and then “Embedded Application Settings”
2. Select “Add”

Install Box Connector on MFP

The screenshot displays the 'System Settings' tab of a Sharp MFP control panel. The left sidebar contains a menu with the following items: 'Sharp OSA Settings', 'Standard Application Settings', 'External Accounting Application Settings', 'Embedded Application Settings' (highlighted in blue), and 'Polling Setting'. The main content area is titled 'Embedded Application Settings' and features an 'Update(R)' button at the top. Below this is a section labeled 'Application Name' containing a single entry: a checkbox followed by the text 'Box'. This checkbox is circled in red. Underneath the application list are two rows of control buttons: the first row has 'Select All(S)' and 'Clear Checked(Z)'; the second row has 'Add(Y)' and 'Delete(O)'. A third row contains a single button labeled 'Register as Standard Application(M)'. At the bottom of the main area is another 'Update(R)' button.

5. Confirm the Box connector is installed. You have an option to register the app as a standard application which will give more options including changing panel icon and more.

Promote Box Button to MFP Home Screen
