Multi-Function Copiers, Printers and Equipment
Contract # 030321-SEC

Table of Contents

SHARP®

Sharp's awarded Sourcewell Contract for Multifunction Copiers, Printers & Equipment enables our authorized MFP Dealers and direct sales offices, Sharp Business Systems, the ability to offer technology solutions to Sourcewell Members.   This overview provides a summary and outline of the essential contract functions and various roles and responsibilities.

I) CONTRACT OVERVIEW

A. CONTRACT NUMBER
030321-SEC

B. CONTRACT TERM
7/01/21 – 4/19/25

C. GUARANTEED DELIVERY
1. 14 Business Days ARO
2. FOB Destination within 25 miles of Authorized Dealer or SBS location

D. ORDERING ADDRESS
SHARP ELECTRONICS CORPORATION
c/o Local Authorized Dealer OR
Sharp Business Systems (Insert Name)
100 Paragon Drive, Box Q
Montvale, NJ 07645

Contact:
snapcustomerservice@sharpsec.com

II) CONTRACT SCOPE

A. USAGE & TERM
This contract may be used by any Sourcewell Member. Membership is open to State Governments & Political Subdivisions; Non-profit/tax-exempt Schools, Colleges and Universities; Non-profit/tax-exempt Hospitals and other Non-profit/tax-exempt Organizations.

Click here to become a member

B. AWARDED PRODUCT OFFERINGS
1. Multifunction Copiers and Printers
2. AQUOS BOARD Interactive and Professional Displays
3. Customized Software Solutions

C. ANCILLARY PRODUCT OFFERINGS
Related ancillary products such as software solutions, vend equipment, card readers, etc. which will enhance the overall customized solution may be acquired under the Sourcewell contract. Allowance for ancillary products is ultimately the ordering member's decision and should comply with ordering member's policies. Ancillary products may not exceed 25% of total order value.

III) CONTRACT PRICING

A. EQUIPMENT
The basis for Sourcewell pricing is calculated on a percentage discount from Manufacturer Suggested Retail Price. Mainframe & Accessory discounts may differ.

SHIPPING CHARGES
All deliveries are F.O.B. destination as freight and handling charges are calculated into the pricing schedules. Portions of an order shipped due to back-orders are shipped at no charge.

B. PRICING

CEILING PRICING – The contract award is based upon ceiling pricing which may not be exceeded.

C. START-UP SUPPLIES

Start-up Supplies are NOT included. Installing local authorized dealer or Sharp SBS may charge for start-up supplies.

IV) ACQUISITION METHODS

A. PURCHASE

B. FINANCING OPTIONS

Financing options may be offered directly by Sharp authorized dealers or SBS locations. Specific terms should be reviewed and approved by the Sourcewell member.

V) ORDER DOCUMENTATION

A. DOCUMENTATION

PURCHASE ORDER REQUIREMENT
Purchase Orders must contain the following:
- Dealer (or SBS Branch) Name, Address, Email & Phone
- End User Name, Address, Contact, Email & Phone
- Itemized list of equipment and accessories with Contract Pricing
- Signed Lease Agreement, if applicable
- Tax-Exempt form where applicable

FINANCING OPTION
In addition to the requirements above, additional terms and conditions related to the agreed upon financing must be incorporated into the Purchase Order OR a signed finance document must accompany the Purchase Order.

B. PAYMENT TERMS
Payment terms: Net 30 days

VI) DELIVERY, INSTALLATION, MOVES

DELIVERY
Sourcewell member will confirm delivery, installation and acceptance of all products covered by each order, by signing a Delivery and Acceptance Certificate (D&A) which shows acceptance of the product(s) and allows local authorized dealer or SBS location to invoice for the product(s).

INSTALLATION
Purchase price includes standard installation within 25 mile radius of Authorized Dealer or Branch Location.

EXCESSIVE INSTALLATION
Installing local authorized dealer or SBS location may charge for excessive installation requirements, including rigging, access alterations, and access to non-ground floors via stairs. Any such excessive installation charges must be quoted to the Sourcewell member prior to the signature of any Order and shall be based on the actual expenditures.

NETWORK INSTALLATION
Network installation includes configuration of the Device for the proper network protocols, and installation of the appropriate print drivers on up to five (5) computers per device. Requests for network installation on additional devices will be negotiated between the Sourcewell member and the servicing local authorized dealer or SBS location.

EQUIPMENT MOVES

Cost for equipment moves is dependent upon the distance of the move and the size of unit. One move (per life of installation) within the same building is provided at no charge. All other equipment moves will be negotiated and a cost estimate will be provided to the requesting Sourcewell member.

CUSTOMER TRAINING

Local authorized dealer or SBS location will provide 2-4 hours on-site initial training, depending on model and number of key operator participants. Additional training will be negotiated, and a cost estimate will be provided to the requesting Sourcewell member.

VII) SERVICE PROVISIONS

A. WARRANTIES & DOWNTIME

WARRANTY

Standard warranty is 90-days for all products offered, beginning with the date of acceptance of delivery. In addition, Sharp provides a Three Year Performance Guarantee for all orders placed under Sourcewell Contract 030321-SEC.

REPLACEMENT OF EQUIPMENT

If the MFP is not performing within the machine's design specifications and cannot be repaired by the Authorized Sharp Dealer and Sharp Service Technician, Sharp will replace the equipment with a like model with comparable features at no additional cost per the terms of the Three Year Performance Guarantee.

The 3-Year Performance Guarantee begins at the date of installation. All equipment must be maintained under a full Service Maintenance Agreement with a Sharp Authorized Dealer or SBS location, and operated using only genuine Sharp supplies and parts.

This guarantee applies to all products procured through and billed under the Sourcewell contract and is not applicable to equipment that has been damaged by accident or misuse, including improper voltage. If it is determined that the equipment was maintained using other than genuine Sharp supplies and parts, the 3-Year Performance Guarantee will no longer be valid.

LOANERS

If any Device is inoperable for more than (8) hours due to equipment malfunction, a Service Technician will determine if a Service Loaner is necessary. If required, a loaner device of similar speed and capabilities will be provided within (2) Business Days by the local authorized dealer or SBS location until such time as the inoperable device is operable.

B. SERVICE ZONES

STANDARD URBAN SERVICE

Service rates are calculated based on service zones. Standard Urban Service applies to units located within 25 miles from a service provider.

RURAL SERVICE

For units located 25 miles+ from a service provider, additional rates may apply.

VIII) SERVICE BILLING OPTIONS & METER COLLECTION

PURCHASED / FINANCED EQUIPMENT
Sourcewell service and supply pricing includes all parts, labor and consumables, except staples and paper.

Sourcewell Members may source a customized service contract directly from the installing Authorized Sharp Dealer or SBS Branch Location.

SERVICE ESCALATION
Annual maintenance agreement pricing may be increased up to 5% by the servicing Sharp Dealer or SBS Branch. This price adjustment will be based upon market conditions, age of equipment and potential price increases of parts and supplies.

METER COLLECTION
Meter read collection instructions will be presented during the installation / training process.

IX) END OF TERM RELATED ISSUES

SECURITY/END OF LIFE
Sharp's End-Of-Lease feature is standard on all advanced series MFPs. This feature ensures that all data is overwritten before returning, or relinquishing control of the MFP. After the erasing process is completed, the MFP will be rebooted automatically and a completion report can be printed.

HARD DRIVE REMOVAL / REPLACEMENT
As directed, the authorized servicing dealer or SBS location will remove the hard drive upon written direction from the Sourcewell member.

The hard drive will be provided to the Sourcewell member for their disposal. The cost of hard drive removal and replacement is $350 per device.

X) CONTRACT DOCUMENTATION

Contract information is provided on Sharp's customized Sourcewell website.

Color Multifunction Copiers & Printers

The MX-C303W Essentials Series and MX-C304W Advanced Series desktop color document systems deliver crisp, high-quality output with exceptional ease of use. These multifunction printers (MFPs) provide customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Designed with high-performance features typically found on larger machines, the compact MX-C303W and MX-C304W deliver the productivity you need with the performance and reliability you want.

Sharp's award-winning touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. Sharp's MFP Voice feature, available on these models, allows you to interact with the machine with the power of natural language. In addition, these models integrate seamlessly with today's complex network environments and support popular cloud services and mobile technologies. Sharp's Application Portal will allow administrators to add new apps or update existing apps right from the MFP.

The compact MX-C303W and MX-C304W Desktop Color Document Systems offer a strong set of standard workflow features that are often optional on competitive models. These models are also equipped with leading-edge security features that help businesses protect their data and personal information from the first day of operation to the time of trade-in. When you are ready to trade the machine in, a convenient End-of-Lease feature can erase all data and personal information, as well as print a confirmation report.

Features at a glance

- ◆ Productive Printing and Copying 30 PPM/CPM
- ◆ Paper capacity maximum: 300 sheets (letter and legal)
    - ➢ Standard 250 sheet paper drawer and 50 sheet bypass tray
    - ➢ Optional: 600 sheet letter/statement/legal drawer
- ◆ Network ready PCL$^®$6 and Adobe$^®$ PostScript$^®$ 3$^™$ printing systems deliver crisp, clear documents
- ◆ 50 Page Reversing Single Pass Document Feeder (MX-C303W)
- ◆ 100 Page Duplexing Single Pass Document Feeder (MX-C304W)
- ◆ Built-in Optical Character Recognition (OCR) function can convert scanned documents to text-searchable PDF format, Microsoft® Office file formats and more (standard on MX-C304W)
- ◆ Access popular cloud services, such as Microsoft$^®$ OneDrive$^™$ for Business, SharePoint$^®$ Online, Box.com, Google Drive™, Dropbox and more with Sharp's Cloud Connect feature (standard on MX-C304). And with Sharp's Application Portal (coming Spring 2019), administrators can add or update apps right from the MFP.
- ◆ Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction powered by Amazon Alexa. (optional hardware required)
- ◆ Compact PDF feature dramatically reduces the file size of most color scanned documents, resulting in decreased network traffic and more efficient use of disk and cloud storage (standard on MX-C304W)
- ◆ Award-winning 7" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs
- ◆ 500 GB hard drive supports convenient Document Filing System with image preview
- ◆ Direct print Microsoft Word, Powerpoint$^®$ and Excel$^®$ files from thumb drives, cloud applications, network folders and more. This function is enabled via Qualcomm$^®$ DirectOffice$^™$ technology (standard on MX-C304W).
- ◆ High Quality 600 x 600 dpi copy and print
- ◆ Dimensions: 19 11/32" (w) x 22 3/8" (d) x 22 21/64" (h) - MX-C303W
               19 11/32" (w) x 22 3/8" (d) x 22 1/4' (h) - MX-C304W

SHARP

MX-2651 / MX-3051 / MX-3551 / MX-4051 Networked Digital Color Copier

Sharp's MX-2651, MX-3051, MX-3551, and MX-4051 Essentials Series color document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The color document systems also offer leading-edge security features to help businesses protect their data and personal information.

Sharp's award-winning touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. Sharp's MFP Voice feature, available on these models, allows you to interact with the machine with the power of natural language. In addition, these models integrate seamlessly with today's complex network environments and support popular cloud services and mobile technologies. Sharp's Application Portal allows administrators to add new apps or update existing apps right from the MFP.

The MX-2651, MX-3051, MX-3551and MX-4051 Color Essentials Series are feature-rich and offer businesses powerful multitasking features at a strong value.

Features at a glance

SHARP

MX-3071 / MX-3571 / MX-4071 Networked Digital Color Copier

Sharp's MX-3071/3571/4071 Advanced Series color document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The color document systems also offer leading-edge security features to help businesses protect their data and personal information.

Sharp's award-winning touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. Sharp's MFP Voice feature, available on these models, allows you to interact with the machine with the power of natural language. In addition, these models integrate seamlessly with today's complex network environments and support popular cloud services and mobile technologies. Sharp's Application Portal allows administrators to add new apps or update existing apps right from the MFP.

The MX-3071, MX-3571 and MX-4071 Color Advanced Series offers businesses powerful multitasking features enabling them to quickly execute the ever-changing workflow tasks of today's busy office environments.

Features at a glance

- ◆ 30 / 35 / 40 PPM Black & White - 30 / 35 / 40 PPM Color Output - **Networked**
- ◆ Paper capacity maximum: 6,300 sheets
    - ➢ 650 Standard - One 550 sheet paper drawer and 100 sheet bypass tray
    - ➢ Optional Stand with (1) x 550 sheet paper drawer
    - ➢ Optional Stand with (2) x 550 sheet paper drawers
    - ➢ Optional Stand with (3) x 550 sheet paper drawers
    - ➢ Optional Stand with (1) x 550 sheet paper drawer + 2,100 sheet split tandem paper drawers
    - ➢ Optional 3,000 sheet large capacity tray
- ◆ Standard security feature erases memory on the hard drive by overwriting data up to ten times
- ◆ Automatic walk-up motion sensor wakes the machine from sleep mode so it's ready within seconds
- ◆ Award-winning 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs
- ◆ Standard 150-sheet duplexing single-pass document feeder scans documents at speeds up to 220 images per minute
- ◆ Access popular cloud services, such as Microsoft® OneDrive™ for Business, SharePoint® Online, Google Drive™, Dropbox and more with Sharp's Cloud Connect feature. And with Sharp's Application Portal, administrators can add or update apps right from the MFP.
- ◆ Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction powered by Amazon Alexa. (optional hardware required)
- ◆ Standard wireless networking feature can connect directly to your network or to mobile devices for convenient scanning and printing with the Sharpdesk® Mobile App
- ◆ Full-size retractable keyboard allows quick, easy and accurate data entry
- ◆ 1200 x 1200 dpi printing produces razor-sharp documents
- ◆ Easily convert documents to popular Microsoft® file formats as well as a variety of PDF formats. You can also direct print these file types from thumb drives, cloud applications and more. This function is enabled via Qualcomm® DirectOffice™ technology.
- ◆ Network ready PCL®6 and Adobe® PostScript® 3™ printing systems ensure your documents print with the clarity and formatting you expect
- ◆ Color Consistency System delivers high quality color output and helps maintain optimum image balance and toner density page after page
- ◆ Flexible paper handling system supports media up to 110 lb cover and up to 12" x 18" through the paper trays
- ◆ Dimensions 24" (w) x 26" (d) x 33" (h) *(Measurements for base model without Stand)*

The MX-C407F and MX-C507F desktop color document systems deliver crisp, high-quality output with exceptional ease of use. These models provide customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Designed with robust features and technology typically found on larger machines, the MX-C407F and MX-C507F deliver the productivity you need with the performance and reliability you want in your workplace or home office.

Features at a glance

- Productive Printing Speeds - 40 ppm (MX-C407F) and 50 ppm (MX-C507F)
- Standard copy, print, scan and fax capability right out-of-the-box
- Compact design easily fits into small offices or home workplaces in desktop or console configurations
- 50 sheet reversing document feeder scans both sides of a document in a single pass for enhanced productivity
- Offers up to five paper sources with available 2,300 sheet maximum paper capacity (letter and legal)
- 7" (diagonal) color touchscreen with adjustable viewing angle offers smooth, tablet-style interaction
- Standard optical character recognition (OCR) on the MX-C507F and optional OCR on the MX-C407F allows users to convert a scanned document into a searchable PDF file or into an editable Word file
- Supports popular mobile technologies, enabling users to easily print files from smartphones, tablets and even notebook computers
- Supports letter and legal size paper as well as envelopes through the standard paper drawer or bypass tray
- 1,200 x 1,200 dpi resolution produces razor-sharp documents. PostScript® 3™ and PCL®6 drivers offer extensive job control
- Sharp Remote Device Manager (SRDM) allows administrators to have centralized control of the networked MFP in order to simplify installation and management
- Standard compact PDF feature dramatically reduces the file size of most color scanned documents
- Convenient USB port located in the front of the device lets users access the machine quickly when printing direct from a USB drive
- Dimensions 19.9" (w) x 21" (d) x 25.5" (h)

Sharp's MX-5051 and MX-6051 Essentials Series color document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The Color Essentials Series also offers leading-edge security features to help businesses protect their data and personal information.

Sharp's award-winning touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. Sharp's MFP Voice feature, available for these models, allows you to interact with the machine with the power of natural language. In addition, these models integrate seamlessly with today's complex network environments and support popular cloud services and mobile technologies. Sharp's Application Portal enables administrators to easily add new apps or update existing apps right from the MFP.

The MX-5051 and MX-6051 Color Essentials Series are feature-rich and offer businesses powerful multitasking features at a strong value.

Features at a glance

- ◆ 50 / 60 PPM Black & White - 50 / 60 PPM Color Output - **Networked**
- ◆ Paper capacity maximum: 6,300 sheets
    - ➢ 650 Standard - One 550 sheet paper drawer and 100 sheet bypass tray
    - ➢ Optional Stand with (1) x 550 sheet paper drawer
    - ➢ Optional Stand with (2) x 550 sheet paper drawers
    - ➢ Optional Stand with (3) x 550 sheet paper drawers
    - ➢ Optional Stand with (1) x 550 sheet paper drawer + 2,100 sheet split tandem paper drawers
    - ➢ Optional 3,000 sheet large capacity tray
- ◆ Standard security feature erases memory on the hard drive by overwriting data up to ten times
- ◆ Award-winning 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs
- ◆ Standard 100-sheet reversing single-pass document feeder scans documents at speeds up to 80 images per minute
- ◆ Access popular cloud services, such as Microsoft® OneDrive™ for Business, SharePoint® Online, Google Drive™, Dropbox and more with Sharp's available Cloud Connect feature. And with Sharp's Application Portal, administrators can add or update apps right from the MFP.
- ◆ Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction with Amazon Alexa. (optional hardware required)
- ◆ Available wireless networking feature can connect directly to your network or to mobile devices for convenient scanning and printing with the Sharpdesk® Mobile App
- ◆ 1200 x 1200 dpi printing produces razor-sharp documents
- ◆ With the available OCR Expansion Kit, you can easily convert documents to popular Microsoft® file formats as well as a variety of PDF formats (PostScript Kit required). You can also add options to direct print these same file types from thumb drives, cloud applications and more. This function is available via Qualcomm® DirectOffice™ technology.
- ◆ Network ready PCL®6 and available Adobe® PostScript® 3™ printing systems ensure your documents print with the clarity and formatting you expect
- ◆ Color Consistency System delivers high quality color output and helps maintain optimum image balance and toner density page after page
- ◆ Flexible paper handling system supports media up to 110 lb cover and up to 12" x 18" through the paper trays
- ◆ Dimensions 24" (w) x 26" (d) x 33" (h)
    (Measurements for base model without Stand)

MX-7081 / MX-8081 Networked Digital Color Copier

The Sharp MX-7081 and MX-8081 color document systems are designed using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace. Built for high-volume environments, central reprographics departments and copy rooms, these document systems are complemented by the robust paper handling and productive output capabilities once found only in commercial print facilities. These models also offer leading-edge security features to help businesses protect their data and personal information.

Sharp's next generation Color Consistency System helps ensure brilliant color output, page-after-page and job-after-job, for repeatable, high-quality results. Businesses can rest assured that producing professional-looking color documents in-house can be easier and more economical than ever before.

The MX-7071 and MX-8081 high speed color document systems are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience and the confidence in knowing their jobs will come out right the first time, every time.

Features at a glance

- ◆ 75 / 80 PPM Black & White - 70 / 80 PPM Color Output - **Networked**
- ◆ Paper capacity maximum: 8,500 sheets

  - ➢ 3,100 Sheets Standard Paper Capacity - Tandem Sheet Drawer: One 1,200 sheet paper tray, One 800 sheet paper tray, Two 500 sheet paper trays and One 100 Sheet Multi-bypass Tray

  - ➢ Optional 3,500 sheet letter-size large capacity cassette
  - ➢ Optional 3,000 sheet letter / legal / ledger-size large capacity cassette
  - ➢ Optional 5,000 sheet letter / legal / ledger / 12" x 18" large capacity 2 drawer tray
- ◆ Full-size retractable keyboard allows quick, easy and accurate data entry
- ◆ Advanced finishing options including a multi-folding unit and multi-position staple and saddle finisher selection
- ◆ A powerful embedded Fiery® Color Print Server is available for environments that require precision color control and job management
- ◆ Supports the Sharp OSA® development platform
- ◆ The available Sharp MFP Voice feature enables users to control the device with simple verbal commands. Experience hands-free, voice-first interaction with Amazon Alexa.
- ◆ The Sharp Color Consistency System with next generation image process control delivers high quality color output and maintains optimum color balance and toner density page after page
- ◆ Quickly scan both sides of a document at once with the standard 300 Sheet Duplexing Single-Pass Feeder
- ◆ Scan preview feature offers on-the-fly page editing with easy fingertip navigation
- ◆ Easily access popular cloud applications, including Microsoft® OneDrive® for Business, SharePoint® Online, Box and Google Drive™, with the Sharp Cloud Connect feature.
- ◆ Triple air-feed paper handling option offers high reliability and is virtually maintenance free
- ◆ 1200 x 1200 dpi printing provides beautiful images and enhanced clarity for fine details such as small text and graphics
- ◆ Scans documents at up to 240 images per minute in both Black and Color
- ◆ Network ready PCL®6/PS3 printing system with direct print function
- ◆ Flexible paper handling system feeds up to 110 lb cover stock through paper trays and through bypass tray
- ◆ Dimensions 33-1/4" (w) x 33-1/4" (d) x 49" (h)

The Pro Series MX-7090N and MX-8090N light production color document systems offer proven technology, award-winning features and exceptional image quality at speeds up to 80 ppm. Built with the customer in mind, producing professional-looking documents has never been easier. Organizations, large and small, will benefit from the versatility of the available input and output options. Options ranging from the air-feed paper handling option, to the production booklet finisher that prints up to a 120 page full-bleed booklets, the Pro Series can help your organization produce more jobs in-house, saving time and money.

These models simplify workflow like never before with the large 15.4" touchscreen display utilizing the latest controller architecture and intuitive user interface Sharp has to offer. These models also offer a choice of three powerful print controllers, including the standard Sharp print controller and two optional Fiery Print Servers operating on the latest FS300 Pro and FS300 platforms enabling customers freedom to choose the right fit for them and custom tailored to their workflow requirements.

The MX-7090N and MX-8090N also support Sharp OSA® technology, which makes integration with network applications and cloud services simple and easy. Sharp's multi-layered Security Suite can help protect your data and personal information from the first day of operation to the time of trade-in.

Features at a glance

- 70 / 80 PPM Black & White - 70 / 80 PPM Color Output - **Networked**
- Paper capacity maximum: 13,500 sheets
  - 3,000 Sheets Standard Paper Capacity - Tandem Sheet Drawer: One 1,200 sheet paper tray, One 800 sheet paper tray and Two 500 sheet paper trays
  - Optional 3,000 sheet letter / legal / ledger-size large capacity cassette
  - Optional 3,500 sheet letter large capacity tray
  - Optional 5,000 sheet letter / legal / ledger-size large capacity tray
- Advanced finishing options including a multi-folding unit and multi-position staple and saddle finisher selection
- Sharp's fuser technology ensures consistent edge-to-edge printing with a uniform finish across the page for professional-looking full image documents
- Triple air-feed paper handling option offers high reliability and is virtually maintenance free
- Flexible modular design provides a wide variety of configurations from basic high-speed copying and printing to professional folding and booklet making
- Print engine paper catalog stores up to 1,000 media profiles to help maintain optimum print quality
- Large 15.4" (diagonally measured) multi-position touch-screen display with swing-out keyboard
- Sharp's Color Consistency System with next generation image process control delivers high-quality color output and maintains optimum color balance and toner density page after page
- Quickly scan both sides of a document at once with the standard 150 Sheet Duplexing Single-Pass Feeder
- Easily access popular cloud applications, including Microsoft® OneDrive® for Business, SharePoint® Online and Google Drive™ with Sharp's Cloud Connect features
- Compact PDF feature dramatically reduces the file size of scanned color documents, resulting in decreased network traffic and more efficient use of disk and cloud storage
- 1200 x 1200 dpi printing provides beautiful images and enhanced clarity for fine details such as small text and graphics
- Scans documents at up to 200 images per minute in both Black and Color
- Standard high-performance print controller with PCL® 6 and Adobe® PostScript®3™ included
- Flexible paper handling system feeds up to 110 lb (300 gsm) cover stock and up to 13" x 19" output
- Standard Job Management features make it easy to print on-demand as well as view jobs, retain jobs, combine jobs, select print settings and more
- Dimensions 38-3/8" (w) x 30-1/4" (d) x 60-1/4" (h)

B&W Multifunction Copiers & Printers

Sharp's MX-M2651/M3051/M3551/M4051 Essentials Series monochrome workgroup document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The monochrome Essentials Series also offers leading-edge security features to help businesses protect their data and personal information.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, Integrated user guides and quick access to network services. With Sharp's MFP Voice feature available for these models, you can interact with the machine with the power of natural language. These models have standard full multifunction capability out-of-box, including copying, network printing and color network scanning. Add the optional PostScript Kit to enable the Adobe Embedded Print Engine, which direct prints PDF files with greater performance and rendering accuracy.

These models integrate seamlessly with today's complex network environments, and support popular cloud services and moble technologies.   Sharp's Application Portal enables administrators to easily add new apps or update existing apps right from the MFP.

The MX-M2651, MX-M3051, MX-M3551 and MX-M4051 Monochrome Essentials Series document systems are feature-rich and offer organizations powerful multitasking features at a strong value.

Features at a glance

- 26 / 30 / 35 / 40 PPM Black & White Output - **Networked**
- Paper capacity maximum: 6,300 sheets
  - 650 Standard - One 550 sheet paper drawer and 100 sheet bypass tray
  - Optional Stand with (1) x 550 sheet paper drawer
  - Optional Stand with (2) x 550 sheet paper drawers
  - Optional Stand with (3) x 550 sheet paper drawers
  - Optional Stand with (1) x 550 sheet paper drawer + 2,100 sheet split tandem paper drawers
  - Optional 3,000 sheet large capacity tray
- 100 sheet reversing single-pass document feeder
- Flexible paper handling system supports media up to 110 lb cover and up to 12" x 18" through the paper trays
- Scans documents at up to 80 images per minute
- Large 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs
- Access popular cloud services, such as Microsoft OneDrive™ for Business, SharePoint® Online, Google Drive™, Dropbox and more with Sharp's available Cloud Connect feature.
- With the available Optical Character Recognition (OCR) Expansion Kit, you can easily convert documents to popular Microsoft® file formats as well as a variety of PDF formats. You can also add options to Direct Print these same file types from thumb drives, cloud applications and more.
- Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction powered by Amazon Alexa. (optional hardware required)
- Network ready PCL® 6 and available Adobe® PostScript® 3™ printing systems ensure your documents print with the clarity and formatting you expect
- Available wireless networking feature can connect directly to your network or to mobile devices for convenient printing and scanning with the Sharpdesk® Mobile App
- Available Compact PDF feature dramatically reduces the file size of most color scanned documents, resulting in decreased network traffic and more efficient use of disk and cloud storage
- 600 x 600 dpi printing provides clear, crisp images and enhanced clarity for fine details such as small text and graphics
- Dimensions 24" (w) x 26" (d) x 33" (h)
  (Measurements for base model without Stand)

Sharp's MX-M3071/M3571/M4071 Advanced Series monochrome workgroup document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The Monochrome Advanced Series also offers leading-edge security features to help businesses protect their data and personal information.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. With Sharp's MFP Voice feature available for these models, you can interact with the machine with the power of natural language. These models have standard full multifunction capability out-of-box, including copying, network printing and color network scanning. Adobe Embedded Print Engine technology direct prints PDF files from a variety of sources with greater performance and rendering accuracy.

These models integrate seamlessly with today's complex network environments, and support popular cloud services and mobile technologies. Sharp's Application Portal enables administrators to easily add new apps or update existing apps right from the MFP.

The MX-M3071, MX-M3571 and MX-M4071 Monochrome Advanced Series offers organizations powerful multitasking features, enabling them to quickly execute the ever-changing workflow tasks of today's busy office environments.

Sharp's MX-M3071S/M3571S/M4071S Advanced Series monochrome workgroup document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The Monochrome Advanced Series also offers leading-edge security features to help businesses protect their data and personal information.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. With Sharp's MFP Voice feature available for these models, you can interact with the machine with the power of natural language. These models have standard full multifunction capability out-of-box, including copying, network printing and color network scanning. Adobe Embedded Print Engine technology direct prints PDF files from a variety of sources with greater performance and rendering accuracy.

These models integrate seamlessly with today's complex network environments, and support popular cloud services and mobile technologies. Sharp's Application Portal enables administrators to easily add new apps or update existing apps right from the MFP.

The MX-M3071S, MX-M3571S and MX-M4071S Monochrome Advanced Series offers organizations powerful multitasking features, enabling them to quickly execute the ever-changing workflow tasks of today's busy office environments.

Features at a glance

- ◆ 30 / 35 / 40 PPM Black & White Output - **Networked**
- ◆ Paper capacity maximum: 6,300 sheets
  - ➢ 650 Standard - One 550 sheet paper drawer and 100 sheet bypass tray
  - ➢ Optional Stand with (1) x 550 sheet paper drawer
  - ➢ Optional Stand with (2) x 550 sheet paper drawers
  - ➢ Optional Stand with (3) x 550 sheet paper drawers
  - ➢ Optional Stand with (1) x 550 sheet paper drawer + 2,100 sheet split tandem paper drawers
  - ➢ Optional 3,000 sheet large capacity tray
- ◆ Standard 150 sheet duplexing single-pass document feeder
- ◆ Flexible paper handling system supports media up to 110 lb cover and up to 12" x 18" through the paper trays
- ◆ Scans documents at up to 220 images per minute
- ◆ Automatic walk-up motion sensor wakes the machine, and it's ready within seconds
- ◆ Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction powered by Amazon Alexa. (optional hardware required)
- ◆ Large 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs
- ◆ Network ready PCL® 6 and Adobe® PostScript® 3™ printing systems ensure your documents print with the clarity and formatting you expect
- ◆ Access popular cloud services, such as Microsoft OneDrive™ for Business, SharePoint® Online, Google Drive™, Dropbox and more with Sharp's available Cloud Connect feature.
- ◆ Available wireless networking feature can connect directly to your network or to mobile devices for convenient printing and scanning with the Sharpdesk® Mobile App
- ◆ Easily convert documents to popular Microsoft® file formats, as well as a variety of PDF formats, with standard Optical Character Recognition (OCR) capabilities.
- ◆ 1,200 x 1,200 dpi resolution produces razor-sharp documents
- ◆ Dimensions 24" (w) x 26" (d) x 33" (h) *(Measurements for base model without Stand)*

SHARP

MX-B376W / MX-B476W Networked Digital A4 Copier

The MX-B376W and MX-B476W Advanced Series desktop monochrome document systems deliver crisp, high-quality output with exceptional ease of use. These models provide customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Designed with high-performance features typically found on larger machines, the compact MX-B376W and MX-B476W deliver the productivity you need with the performance and reliability you want.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. With Sharp's MFP Voice feature available on these models, you can interact with the machine with the power of natural language.

These models offer out-of-the-box copy, print, scan and fax capabilities, plus standard Cloud Connect features combined with wireless networking that enable users to easily manage their workflow from PCs, smart phones and tablets. They integrate seamlessly with today's complex network environments and support popular cloud services and mobile technologies. With Sharp's Application Portal, administrators can easily add or update apps right from the touchscreen panel of the MFP.

The compact MX-B376W and MX-B476W Advanced Series desktop monochrome document systems offer powerful productivity features enabling users to quickly execute workflow tasks in today's busy office environments. And with Sharp's multi-layered leading edge Security Suite, these models can help protect your data and personal information from the first day of operation to the time of trade-in.

Features at a glance

- Crisp black-and-white copies at speeds of 37 PPM (MX-B376W) and 47 PPM (MX-B476W)
- Paper capacity maximum: 2,350 sheets (letter and legal)
  - Standard 500 sheet paper drawer and 50 sheet bypass tray
  - Optional: up to 3 additional 600 sheet paper drawers
- 50 Sheet Reversing Single Pass Feeder (MX-B376W), 100 Sheet Duplexing Single Pass Feeder (MX-B476W)
- Both models can feed letter size, legal size, statement size and business card size original documents
- Customizable Touchscreen display enables easy access to features and functions when setting up jobs
- Built-in Optical Character Recognition (OCR) function can convert scanned documents to text-searchable PDF format, Microsoft® Office file formats and more
- Direct print Microsoft Word, PowerPoint® and Excel® files from thumb drives, cloud applications, network folders and more. This function is enabled via Qualcomm® DirectOffice™ technology.
- Standard Compact PDF feature dramatically reduces the file size of most color scanned documents, resulting in decreased network traffic and more efficient use of disk and cloud storage
- Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction powered by Amazon Alexa. (optional hardware required)
- PCL® 6 and Adobe®/Postscript® 3™ network printing
- Supports popular mobile technologies, enabling users to easily print files from smart phones, tablets and even notebook computers
- Environmentally-friendly in design, engineering and manufacturing
- Dimensions 19-3/8" (w) x 20 x-3/8" (d) x 25-1/8" (h) (*Measurements for base model without Stand*)

MX-M5051 / MX-M6051 Networked Digital Copier

The Sharp MX-M5051 and MX-M6051 Essentials Series monochrome document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The Monochrome Essentials Series also offers leading-edge security features to help businesses protect their data and personal information.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services. With Sharp's MFP Voice feature available for these models, you can interact with the machine with the power of natural language. These models have standard full multifunction capability out-of-box, including copying, network printing and color network scanning. Add the optional PostScript Kit to enable the Adobe Embedded Print Engine, which direct prints PDF files with greater performance and rendering accuracy.

These models integrate seamlessly with today's complex network environments, and support popular cloud services and mobile technologies. Sharp's Application Portal enables administrators to easily add new apps or update existing apps right from the MFP.

The MX-M5051 and MX-M6051 Monochrome Essentials Series document systems are feature rich and offer organizations powerful multitasking features at a strong value.

- ◆ Flexible paper handling system supports media up to 110 lb cover and up to 12" x 18" through the paper trays
- ◆ Scans documents at up to 80 images per minute
- ◆ Large 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs
- ◆ Access popular cloud services, such as Microsoft OneDrive™ for Business, SharePoint® Online, Google Drive™, Dropbox and more with Sharp's available Cloud Connect feature
- ◆ With the available Optical Character Recognition (OCR) Expansion Kit, you can easily convert documents to popular Microsoft® file formats as well as a variety of PDF formats. You can also add options to Direct Print these same file types from thumb drives, cloud applications and more.
- ◆ Sharp's MFP Voice feature enables users to control the device with simple verbal commands. Experience a hands-free, voice-first interaction powered by Amazon Alexa. (optional hardware required)
- ◆ Network ready PCL® 6 and available Adobe® PostScript® 3™ printing systems ensure your documents print with the clarity and formatting you expect
- ◆ Available wireless networking feature can connect directly to your network or to mobile devices for convenient printing and scanning with the Sharpdesk® Mobile App
- ◆ Available Compact PDF feature dramatically reduces the file size of most color scanned documents, resulting in decreased network traffic and more efficient use of disk and cloud storage
- ◆ 600 x 600 dpi printing provides clear, crisp images and enhanced clarity for fine details such as small text and graphics
- ◆ Dimensions 24" (w) x 26" (d) x 33" (h) *(Measurements for base model without Stand)*

MX-M5071 / MX-M6071 Networked Digital Copier

The Sharp MX-M5071 and MX-M6071 Advanced Series monochrome workgroup document systems are built using the latest technology available to deliver the performance, features and reliability needed in today's busy workplace environments. These MFPs are also easy to use and offer enhanced productivity, all to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. The Monochrome Advanced Series also offers leading-edge security features to help businesses protect their data and personal information.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with simplified Easy Modes, integrated user guides and quick access to network services.   With Sharp's MFP Voice feature available for these models, you can interact with the machine with the power of natural language. These models have standard full multifunction capability out-of-box, including copying, network printing and color network scanning. Adobe Embedded Print Engine technology direct prints PDF files from a variety of sources with greater performance and rendering accuracy.

These models integrate seamlessly with today's complex network environments, and support popular cloud services and mobile technologies. Sharp's Application Portal enables administrators to easily add new apps or update existing apps right from the MFP.

The MX-M5071 and MX-M6071 Monochrome Advanced Series offers organizations powerful multitasking features, enabling them to quickly execute the ever-changing workflow tasks of today's busy office environments

Features at a glance

- ◆ 50 / 60 PPM Black & White Output - **Networked**
- ◆ Paper capacity maximum: 6,300 sheets

The MX-B557F desktop monochrome document system produces crisp, high-quality output with exceptional ease of use. This model provides customers with an intuitive user experience and the confidence of knowing their jobs will come out right the first time, every time. Designed with high-performance features typically found on larger machines, the compact MX-B557F delivers the productivity and performance you need in your home office or place of business.

Features at a glance

- Productive Printing Speeds up to 55 ppm
- Standard copy, print, scan and fax capability right out-of-the-box
- Easily fits into small offices or home workplaces in desktop or console configurations
- 200 sheet duplexing document feeder scans both sides of a document in a single pass for enhanced productivity

- Offers up to five paper sources with available 3,300 sheet maximum paper capacity (letter and legal)
- 10" (diagonal) color touchscreen with adjustable viewing angle offers smooth, tablet-style interaction
- Built-in optical character recognition (OCR) allows users to convert a scanned document into a searchable PDF file or into an editable Word file

- Supports popular mobile technologies, enabling users to easily print files from smartphones, tablets and even notebook computers
- Supports letter and legal size paper as well as envelopes through the standard paper drawer or bypass tray
- 1,200 x 1,200 dpi resolution produces razor-sharp documents. PostScript® 3™ drivers offer extensive job control
- Sharp Remote Device Manager (SRDM) allows administrators to have centralized control of the networked MFP in order to simplify installation and management
- Standard compact PDF feature dramatically reduces the file size of most color scanned documents resulting in decreased network traffic and efficient use of cloud storage
- Convenient USB port located in the front of the device lets users access the machine quickly when printing direct from a USB drive

- Dimensions 45.3" (w) x 27" (d) x 27.3" (h)

SHARP

MX-M7570 Networked Digital Copier

The Sharp MX-M7570 high-speed monochrome document system offers crisp, high quality output at speeds up to 75 pages per minute coupled with exceptional ease of use. This model is designed to provide customers with a seamless, intuitive experience, and the confidence in knowing their jobs will come out right the first time, every time. This document system focuses on user operability and draws inspiration from the latest networking and imaging technologies available today, all to create a document system that delivers the productivity you need, with the reliable performance you want.

Sharp's customizable touchscreen display offers a user-friendly graphical interface with a clean design, simplified Easy Modes and integrated operation guides. Equipped with the latest version of Sharp OSA® technology for easy integration with network applications and cloud services, this model can unlock advanced capabilities to help you better manage your workflow. An integrated walk-up motion sensor and an easy-to-use graphical interface combine with a fast warm up time to create a workflow experience with virtually no waiting time.

The MX-M7570 monochrome document system offers customers powerful multitasking features enabling them to quickly execute the ever-changing workflow tasks of today's busy office environments. And with Sharp's multi-layered Security Suite, this model can help protect your data and personal information from the first day of operation to the time of trade-in.

Features at a glance

- ◆ 75 PPM Black & White Output - **Networked**
- ◆ Paper capacity maximum: 6,700 sheets
  - ➢ 3,200 Sheets Standard Paper Capacity - One 1,250 sheet tandem tray, One 850 sheet tandem tray Two 500 sheet paper trays and 100 sheet bypass tray
  - ➢ Optional 3,000 sheet ledger size large capacity cassette
  - ➢ Optional 3,500 sheet letter size large capacity cassette
- ◆ Standard 150 sheet duplexing document feeder
- ◆ Scans documents at up to 200 images per minute
- ◆ Standard security platform includes 256-bit encryption, up to 10-times data overwrite and an End-of-Lease feature that erases all data and personal information at trade-in
- ◆ Automatic walk-up motion sensor wakes the machine, and it's ready within seconds
- ◆ ImageSEND™ feature provides one-touch distribution to email, network folders, cloud applications and more
- ◆ Large 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions
- ◆ NFC tag embedded in the bottom right corner of the control panel allows for easy connection via Sharpdesk® Mobile for printing and scanning on the go
- ◆ Easily access popular cloud applications, including Microsoft® OneDrive® for Business, SharePoint® Online, and Google Drive™ with Sharp's Cloud Connect features
- ◆ Direct print Microsoft Word, Powerpoint® and Excel® files from thumb drives, cloud applications, network folders and more. This function is enabled via DirectOffice™ technology
- ◆ Built-in Optical Character Recognition (OCR) function can convert scanned documents to text-searchable PDF format, Microsoft Office file formats and others
- ◆ 1,200 x 1,200 dpi resolution produces razor-sharp documents
- ◆ Dimensions 26" (w) x 30-1/2" (d) x 48" (h) *(Measurements for base model without Stand)*

From walk-up office environments and corporate workgroups, to Central Reprographics Departments (CRDs) and copy rooms, the MX-M905 High-Speed Monochrome Document System offers advanced technology and features that will streamline your document workflow like never before. The MX-M905 has been designed to handle the rigors of high volume environments with the user-friendliness of a workgroup MFP. With an engine speed of 90 ppm, standard networking and flexible configurations, this high volume workhorse is a perfect fit where productivity and reliability are critical and ease of use is essential.

A large 10.1" (diagonally measured) customizable touchscreen display with a clean design enables easy access to features and functions when setting up jobs. With Sharp's micro-fine toner technology combined with 1200 x 1200 dpi print resolution and true Adobe® PostScript®, your organization can produce beautiful images and enhanced clarity for fine details such as small text and graphics. The triple air-feed paper handling option offers high reliability and is virtually maintenance-free.

Built on the latest Sharp OSA® development platform, the MX-M905 makes integration with network applications and cloud services easier than ever. Sharp's industry-leading security platform incorporates standard 256-bit data encryption and overwrite protection to safeguard your business's intellectual property. When it comes time to trade in, a convenient standard End-of-Lease feature can erase all job and user data.

Features at a glance

Desktop Printers

The Sharp DX-B351PL Essentials Series Monochrome Printer delivers an output speed of up to 35 pages per minute with proven durability and a low cost of operation. The DX-B351PL also provides a compact footprint combined with secure network printing, making it a great choice for confidential printing in executive offices, human resource departments and restricted areas of the workplace. Developed with the business user in mind, the DX-B351PL offers a low cost-per-page which helps keep office expenses under control.

Features at a glance

- ◆ Productive Printing Speeds up to 35 ppm (letter and legal)
- ◆ Easy-to-use two-line LCD operational panel
- ◆ Simple and convenient one step installation process
- ◆ Automatic two-sided function for duplex printing
- ◆ Compact design easily fits into small office spaces in desktop or workgroup environments
- ◆ 1,200 x 1,200 dpi printing delivers clear, crisp images and text page after page
- ◆ Front facing bypass tray for easy printing of envelopes, labels and specialty media
- ◆ PCL® 6 and Adobe® Postscript® Printing
- ◆ Silent mode creates less noise and helps maintain a comfortable environment
- ◆ Dimensions 14" (w) x 13" (d) x 9" (h)

SHARP

MX-B557P / MX-B707P Desktop Monochrome Printer

The MX-B557P and MX-B707P monochrome desktop printers deliver crisp, high-quality output with exceptional ease of use. These printers provide users with an intuitive touchscreen and advanced durability to ensure years of reliable and carefree operation. Packed with high-performance features and finishing typically found on multifunction printers, the MX-B557P and MX-B707P will give customers the confidence to print any size job from their workplace or home office.

Features at a glance

- Productive Printing Speeds up to 55 ppm (MX-B557P) and 70 ppm (MX-B707P)

- Offers up to five paper sources with available 4,400 sheet maximum paper capacity (letter and legal)

- Intuitive 4.3" (diagonal) touchscreen offers print preview menu to ensure your documents are printed with precision

- Supports popular mobile technologies, enabling users to easily print files from smartphones, tablets and even notebook computers

- Supports letter and legal size paper as well as envelopes through the standard paper drawer and bypass tray

- Optional finisher offers up to 500 sheet stapling and available hole punching

- 1,200 x 1,200 dpi resolution produces razor sharp output

- 100 sheet bypass tray for envelopes, labels and specialty media

- Standard PCL® 6 and Postscript® 3™ printing capability

- Convenient front-facing USB port provides easy access for direct printing from flash drives and thumb drives

- Dimensions 19-1/4" (w) x 20-3/8" (d) x 17-5/16" (h)

Managed Print Services

SHARP®

Managed Print Services
Customized Approach for More Efficiency and Control

Overlooking your print environment can be costly and inefficient, hindering your organization in the long run. Managed Print Services (MPS) from Sharp offer a consultative approach to manage your print infrastructure and maximize uptime, productivity and security.
Take Control to Cut Costs

All too often companies are unaware of how many printers they have or their actual spend on printing. A complete assessment by Sharp helps you understand the current state of your print infrastructure and your total cost of printing using first-class reporting and device mapping tools.

Optimize Your Print Environment

The entire lifecycle of your print fleet is managed by us. To improve cost-effectiveness and efficiency, Sharp removes redundant devices and replaces aging equipment. You can simplify the user experience by standardizing models and drivers from one device to the next and streamline support by consolidating all your maintenance contracts into one.

Before MPS - Unmanaged Print Environment

After MPS - Optimized, Right-Sized Fleet

## Allow IT to Focus on Critical Projects

Sharp manages and maintains your fleet. This frees IT resources from printer-related issues and eliminates help desk calls to keep your team focused on key IT projects.

Streamline Support from One Partner

Gone are the days of processing invoices from multiple vendors. Sharp sends a single, predictable monthly invoice for an all-inclusive cost-per-copy plan. By only paying for what you print, we can help you experience a significant savings.

What would you like to achieve under an MPS program?

Let Sharp's systematic approach to your print environment help you reach your goals.

Understand Vision and Goals
Collaborate with Sharp to determine what you want to achieve from the assessment and discuss your top business initiatives so we can help you reach those goals.

Evaluate and Adapt
Benchmarks are established to regularly measure the success of your program and adapt to your printing/ document workflow needs. Quarterly reviews are held to ensure customer satisfaction and ongoing optimization.

Analyze and Assess
Sharp collects device data, maps out your assets and interviews users. We'll reveal your current cost of printing, provide insight into company-wide printing activity and determine which devices are costing you the most.

Implement and Manage
To ensure a smooth program roll out, Sharp communicates with internal key stakeholders and trains end users on new equipment. Sharp proactively manages and monitors your fleet to provide first-rate service and supplies.

Validate and Construct
Together we'll review your print environment analysis and decide on a plan of action to optimize your fleet and document workflow.

Customize and Propose
Sharp proposes a customized MPS solution based on our assessment findings with your vision and goals at the forefront.

MPS Process

- Customer Vision & Goals Workshop
- Assessment
- Validation & Construction
- Propose
- Implement & Manage
- Continuous Improvement

Experience the Benefits of Managed Print Services

- Know your true cost of printing
- Cut costs on devices, supplies and service
- Simplified budgeting for printing expenses
- Free up the IT department

- One vendor for all your printing needs
- Toner arrives just in time
- More uptime through proactive support
- Ongoing fleet optimization

Discover more about our MPS program and our complementary assessment today.

SYNAPPX™ GO
PRODUCTIVITY WHEREVER YOU GO!

What is Synappx Go?

Smartphones have changed the way we live and work, and now they can change the way we collaborate in our workplaces. With Synappx Go, you can share, scan and print your content on the go. Scale content easily to a large display, as well scan documents to and release print jobs from a multifunction printer—all right from your phone whenever and wherever.

Synappx Go Advantages:

- ◆ Helps employees facilitate efficient and productive ad-hoc collaboration with easy content sharing

- ◆ Uses employee mobile devices—familiar technology—to leverage existing technology and eliminate training

- ◆ Simplifies operation with one application to scan, print and display content

- ◆ Connects employees and devices—simply tap the NFC tag to access desired content on a printer or display

Synappx Go (1 User per license)		Contract Pricing

SYNAPPX™ MEETING
START MEETINGS ON TIME!

About Synappx Meeting

Research has shown that it takes an average of 12 minutes* to achieve productivity during a meeting due to time lost to activities like connecting to a big screen, starting a conferencing system or finding necessary content. Synappx Meeting software helps solve these challenges, putting focus back on collaboration and sharing ideas.

Synappx Meeting Advantages:

- Synappx Meeting helps streamline and automatically connect technologies necessary to start meetings

- Synappx Meeting helps users track the meeting time and access shortcuts to their files and applications

- Synappx Meeting helps automatically disconnect the technologies used during the meeting to allow the next meeting to begin on time

Synappx Meeting (1 Room per license)		Contract Pricing
SW-S01R01M1	1 Month	$21.00

LL-B270
Desktop LCD Monitor

- 27" Class (27" Diagonal) Desktop Monitor
- Full High Definition (1,920 x 1,080 pixels) Resolution with 200 cd/m^2 Brightness (default) / 250 cd/m^2 Brightness (maximum) and 3,000:1 Contrast Ratio
- Thin Profile - LL-B270 (1/4" at thinnest part)
- Adjustable Blue Light (can be set to four levels)
- 178 Degree Viewing Angle
- Streamlined Design Using Edge Lit LED Backlighting
- 3-Year Limited Warranty

Model Number	Description	Contract Pricing
LL-B270	Sharp's desktop monitor is a space-conscious solution for any office desk! With its 2 mm bezel, svelte profile and stylish round stand, the 27" Class (27" diagonal) LL-B270 desktop monitor seems to float before your eyes. It is much slimmer than a typical office monitor making on-screen content more noticeable than the hardware. The LL-B270 desktop monitor won't dominate a desk, even with several monitors set up. In fact, it is designed to free up a business person's valuable desk "real estate" to ultimately enhance productivity! In addition to its minimal profile, this monitor supports Full HD resolution, has adjustable light settings for optimal comfort and a wide viewing angle of 178 degrees so users can see high-quality images with less alterations to color and brightness.	$216.00

Help Stay Safe Without Slowing Down

Smart touchless solution for temperature, face mask checks and screening questions.

Bring peace of mind to staff and visitors with contactless screening.

Engineered and designed to deliver a fast, safe and reliable temperature screening and check-in experience that doesn't involve any touchpoints or another person.

98.6°F

Excellent!
Normal range

Accurate and fast temperature check

Combines power infrared and environmental sensors to perform a non-invasive and highly accurate temperature measure in 0.2 seconds.

Zero touchpoint, away from staff

Completely touchless, starting automatically using LIDAR technology and AI. Our mobile web app can be used for self check-ins and answering screening questions.

Staff privacy and data security

Doesn't rely on facial recognition to connect employee records, with a built-in keycard and access control compatible reader.

Designed for your staff, contractors, customers and more.

No matter what the scenario requires, LivMote™ has adaptable modes to provide a streamlined screening experience that doesn't feel burdensome.

Office	**Healthcare**	**Government**	**Education**

Final product design and user interface are subject to change.

How LivMote Works

Before entering the building, employees and visitors take a customized web-based questionnaire on a personal smartphone. If approved, they are directed to a LivMote device for touchless face mask detection and temperature reading.

Professional Services are Now Available
Providing all of the tools you need for complete system integration

Sharp Electronics provides Sourcewell customers professional service assistance on a contract basis. Professional service assistance is provided in 8-hour **(DSERVICE)** and 4-hour **(DSERVICE-II)** blocks of time.

Professional services may include:

- Technical assistance installing Sharp hardware and/or Sharp software within large or complex network environments
- Special customization of Sharp software
- Assisting customer developers creating custom business applications using Sharp's OSA software development tools

However, DService and DService-II professional services are not used to install or configure third-party software, replace or augment customer IT personnel responsibilities, or to manage projects on behalf of a customer's own project management resources.

Contact your Sharp Government & Major Account Manager for more information on scheduling Professional Services at your location.

Professional Services Rates:

Full Day Service Fee (DSERVICE)
$1,500.00 (Travel Expenses Additional)

Professional Services Hourly Rate (DSERVICE II)
$175.00 per Man Hour with 4 hour minimum charge (travel expenses additional)

Please Note:

A Statement of Work is required before scheduling Professional Services at your location
A mutually signed statement of work is required to initiate a professional services engagement with a customer. The statement of work will specify the scope of the engagement, project milestones, a begin-date, an end-date, and requirements for each party involved in the engagement. The DService and DService-II units necessary to fulfill the engagement are determined based on the scope and requirements of the engagement.

SHARP

ENVIRONMENTAL CONSERVATION

Sharp's ongoing commitment and dedication to developing eco-friendly document systems set a high standard for the industry

An Environmentally Responsible Approach to Product Design

Our document systems utilize Sharp's advanced micro-fine toner technology, which offers a lower consumption rate and produces less waste, resulting in longer replacement intervals. Sharp supplies are packaged using fully recyclable materials. Long-life consumable parts help minimize service intervals and downtime, resulting in lower operating costs. Energy-saving modes allow power to be reduced or shut off at set intervals. And, Sharp document systems are RoHS compliant to meet the latest green initiatives.

Special Recognition for Energy Efficient Product Design

In 2014, Sharp received special recognition by the US Environmental Protection Agency (EPA) for Energy Efficient Product Design. Sharp is recognized for its participation in providing valuable insight and information in ENERGY STAR®'s specification revision process and by demonstrating creativity in helping the EPA address and resolve technical challenges to build robust specifications.

Sharp Business Products are EPEAT® Certified

EPEAT (Electronic Product Environmental Assessment Tool) is a 3rd party global rating system for greener electronics that requires ongoing independent verification of manufacturer claims. Businesses, government agencies, schools, hospitals and other institutions are using EPEAT as the environmental benchmark to help them make informed purchasing decisions. By using EPEAT standards to purchase greener electronics, you will be assuring your organization's environmental sustainability goals and help to preserve our natural resources.

Sharp's Environmental Leadership

As a testament to our commitment to the environment, Sharp was a former recipient of the Excellence in Partnership Green Contractor Award and the Evergreen Award from the U.S. Government's General Services Administration and the Coalition for Government Procurement.

The **Green Contractor Award** recognizes contractors that have made the best overall commitment to the environment by offering environmentally friendly products and services or adhering to environmentally sound manufacturing procedures.

The **Evergreen Award** identifies environmentally-friendly businesses and their efforts in recycling and waste reduction practices. Please visit www.sharpusa.com/environment to learn more about our environmental leadership.

Sharp's commitment to the environment sets a high standard for the industry.

Toner Recycling Program

As part of our commitment to preserving the environment, Sharp has partnered with a zero waste to landfill recycler for recycling all Sharp consumables including cartridges, bottles, waste collection containers and drum units. Customers can participate in Sharp's free Stop, Drop, Recycle Program by visiting our website: www.sharpusacom/recycle.

SHARP

HEIGHTENED SECURITY ENSURES CONFIDENTIALITY

Sharp's industry-leading document and device protection ensures confidentiality and safeguards your assets.

secure

As MFPs and printers become a part of an organization's integrated document workflows and business processes, security becomes a serious concern. Securely managing business and user data is critical for corporations to be successful but that can add greater complexity as they are associated with various sources and formats.

Sharp helps IT managers minimize such concerns and optimize security management by providing integrated security features.

Data and Information Security
Standard MFP security coupled with the optional Data Security Kit (DSK) protects and controls the major MFP systems and subsystems (print, copy, scan, fax jobs, network settings, memory components, local user interface). The Sharp data encryption method uses the Advanced Encryption Standard (AES) algorithm 256* bit on all data before it is written to RAM and the hard disk drive. It also provides overwriting routines for deleted data to ensure that all information is virtually irretrievable by unauthorized users.

MEETING SECURITY STANDARDS AND CERTIFICATIONS

Security for Private Sector and Corporate Organizations
Sharp MFPs provide robust, complete control over information access, transmission and tracking to facilitate compliance with stringent mandates. By implementing the Sharp Security Suite, Sharp MFPs can help banks and investment institutions meet the privacy requirements of the Gramm-Leach-Bliley (GLB) Act. Insurance and healthcare providers can maintain Health Insurance Portability and Accountability Act (HIPAA) compliance with confidence. Businesses across all industries will benefit from the strict controls over financial information required under the Sarbanes-Oxley (SOX) Act.

Security for Public Sector and Government Organizations
Threats to government infrastructure are rapidly growing and the number of attacks continue to rise. On one hand, information sharing is critical for the efficiency of these organizations. On the other hand, security management is becoming more challenging for IT managers. Sharp can help your organization meet US government information security requirements through ISO 15408/Common Criteria certifications or features such as Common Access Card (CAC)/ Personal Identity Verification (PIV) authentication to maintain security clearance to protect classified data.

DATA SECURITY

Protect Your Data
As the leader in office equipment security, Sharp makes it easy for any business or government entity to safely deploy and facilitate secure printed documents.

* Encryption level is varies per model.
